

“Lifts From Louie”

First Annual Golf Outing Fundraiser August 27, 2022

Fort Cherry Golf Club

McDonald, PA

A Non-Profit 501(c)(3)

Hello,

My name is Joni Burskey, and I'm the President of Lifts from Louie. Our non-profit organization is on a mission to supply any Cancer Patient in financial need of a lift assist chair. Our first major fundraiser will be an annual Golf Outing which is quickly approaching, and we are looking for potential sponsors to help make the event a success.

Our main goal is to purchase the lift chairs for Cancer Patients in need. We are asking for major sponsor(s) for the golf outing. We will need sponsors for each hole of the golf course as well.

If you can contribute to our cause we will offer promotional opportunities (Our organization will feature your company on the promotional materials for the golf outing, and on our website).

Thank you in advance for your consideration in being a sponsor. Your support is greatly appreciated.

Checks can be made out to: "Lifts from Louie" - 3770 Millers Run Road; McDonald, PA 15057

Or you may visit: <https://www.liftsfromlouie.org/> - - Phone: 412-417-1283

Please join our list of growing sponsors .. Our goal is to have a sponsor for every hole!
